“Michael went beyond our expectations: what he didn't know about the market you could fit on a stamp; no sales patter - just facts and time to consider, which really suited us!

Throughout he speedily returned queries, gave accurate forecasts of the timescales and was always clear on costs.

We would heartily recommend Michael and Mark at Robinsons.”

- Emma R

“We purchased a house via Robinsons and I can not rate them enough.

In what was a really difficult and lengthy chain Michael kept us up dated and fully informed when our own estate agent didn't. He went above and beyond what he needed to be done for us and chased matters through the chain and nothing was too much trouble.

I would recommend Robinsons in a heartbeat.”
